

# What Do You Think?

## Guide to Farming in New York State

---

How can we make this Guide better? Tell us your thoughts, and the improvements you suggest may help thousands of new farmers across NYS. Please send completed forms to: **NY Beginning Farmer Project, 162 Plant Science, Cornell University, Ithaca, NY 14853**, or email to [ejf5@cornell.edu](mailto:ejf5@cornell.edu).

### 1. Did this guide help you to: [check all that apply]

- |  |  |
|--|--|
| <input type="checkbox"/> Save money              | <input type="checkbox"/> Make decisions about your farm business |
| <input type="checkbox"/> Locate resource people  | <input type="checkbox"/> Locate useful websites or documents     |
| <input type="checkbox"/> Comply with regulations | <input type="checkbox"/> Learn about programs that can help you  |

**Please share specific details:**

### 2. What are the top 2-3 most important things you learned?

### 3. How useful were individual fact sheets? Use extra space elsewhere on this sheet if needed:

Fact Sheet                      Usefulness (1=very, 5=not at all)                      Comments

### 4. Please help us keep information in this guide updated. Let us know any broken links or out-of-date material you noticed in the guide:
